On the 2023-2024 FAFSA (question 47 or 48) you indicated you have a child or a dependent whom you support. Your independent student status is based solely on your answer to this question. Please complete this form so that our office can confirm that you are an independent student for federal financial aid purposes. Support includes support of yourself as well as 51% of the support for the child/dependent. It may include but is not limited to money spent on: food, housing, clothing, health insurance, childcare, transportation, personal items, and other necessities.

If you have answered question 47 or 48 incorrectly, you can declare a dependent status at the bottom of this form.

If you agree below certifies that all of the information reported is complete and correct.

Corrections to Dependent Status

After reviewing this form, I have determined that I do not provide more than half of the support for this child or dependent, therefore I should be considered a dependent student and I will update my FAFSA to reflect this change.
